WHO'S WHO

THE ACTORS

Eileen Kennedy Alger: I was forced into returning to theatre by my family; they were tired of watching my stand up in the kitchen. **Leslie Austin:** The best way to overcome your fear is to face it square in the face. **Ayla Azizoglu:** Acting is my passion but I also enjoy painting and playing the drums. **Cary Bazan** started acting in 1996 and after a decade hiatus is back in 2015. **DeWayne Blundell** literally came out of retirement just to do this show. After this, it's back to the abandoned off-shore oil rig. **Vandana Char:** First time performer in theatre. Physician by profession. **Penny Chin:** Eddy made me do it, but seriously super excited for the One Day Only experience. **Vicki Cravens:** A veteran of charity shows and McKinney Summer Musicals, Vicki is thrilled to be doing her first ODO! **Joey Dietz:** Actor (occasionally), Writer (not very good) and Director (not too shabby), at your service. **Robby Dullnig** is going to spend the rest of his career scrubbing chrono-toilets. **Ron Eubanks** is back at ODO after four years. **John George:** Hi! I love to act but I'm very new at it. This is my first play! **Melanie Gotz:** Just a girl trying out the stage. **Jennifer Hague:** Theatre is my therapy...and wine. Yeah, definitely wine. I mean theatre (hiccup). **Eddy Herring** is excited to finally get a chance to come out and play. What a great opportunity! **Will Johnson** is a fan of many things, including himself. **Shelley Kaehr:** Free spirit. **Robyn Mead** has been eyeing One Day Only for some time and finally decided to jump in and swim. **Sarah Nobels:** I like theatre. **Alicia Pascual** has ambitions to be a crazy cat lady if marrying various celebrity crushes proves impossible. **Debbie Remonte:** Fifth time to participate in One Day Only! **Ben Scheer:** I'm a guy who likes to see if I can talk pretty and entertainingly. **Alyse Sefchik:** I'm into acting and special effects; I'm glad to be here. **Jared Seman:** Look over there! A distraction. **Jeny Siddall:** I really hope Speck gets to lick me again. **Michael Speck** is here to promote his next production, Jack the Ripper at PST. **Matt Stepan** is thrilled to be doing his third ODO and encourages you to come see Four Weddings and an Elvis in January, which he is directing. **Claude Swain** starred in premiere of Galtz or Not. **Louis Tarmichael:** A geeky Catholic math teacher. How crazy can one person be???

THE DIRECTORS

Kevin Michael Fuld has participated in 20% of the ODOs so far. **Sierra Milliron** is an aspiring actress and director who's really excited to be trying something new. **Stella Vea:** Educating adults, dancing in musicals, acting, writing, and directing – these are a few of my favorite things! **Glynda Welch:** One Day Only is the most fun I can imagine! I am delighted to be back. **Daniel White:** My favorite show recently has been "A One Day Only Cactus Flower in the Chrono Cops' Principal's Office."

THE PLAYWRIGHTS

Caroline Turner Cole loves yoga, brunch, and caffeine! Learn more at carolineturnercole.com. **Libby Mitchell:** I love theater, film, and just getting to put all my ideas together and hope "fun" comes out. **Sally Philipp:** Trying to determine what I want to be when I grow up. **Carol M. Rice:** Come see me in *Cactus Flower*, right here at Rover, running September 10 – October 3! **Brent Rotunno:** I'm a groovy guy who did everything in theater years ago but forgot to keep doing it to make a name for myself.
